Dear Peter:

Thank you for taking time from your busy day to speak to the members of the National Association for Home Care.

Your presentation was thoughtful and to the point. I heard nothing but the greatest and most glowing comments.

You made me look like a prophet when I said that we had saved the best for last. Considering who we had on the schedule, that was a pretty tall order.

Thank you for helping to uplift our members at a time when they needed it most. I appreciate you going out of your way to accommodate their needs.

You know that you have my very great respect and admiration. I want to prepare an ad that features you for our *Caring* magazine. Many of our members have asked how they can get in touch with you.

I wish you all the best. If you are in Washington, please look us up.

With best wishes,

Sincerely,

Val J. Halamandaris  
President
