Dear Peter:

A tardy but none the less sincere thank you for your significant contribution to the success of our Annual LINC Service® Principals Meeting.

Working with you was simply a pleasure. You were by far one of the most pleasant and cooperative speakers with whom I have ever worked. In addition to my accolades, I can tell you that the same high-level praise was yours from our attendees. Enclosed please find a printout reflecting the compiled feedback from our attendees. Congratulations on a job well done!

Thank you for making me look so good in eyes of my superiors and The Linc Corporation in the eyes of our customers. I will look forward to the opportunity of working together again in the future and would without hesitation recommend you to others. Please feel free to offer my name as a reference.

Warmest regards,

Jacqueline Havrilla, CMP
